Description

CLAIRE ROGER (born in 1957) Unique piece, High refinement for this bottle in mixed earth in olive, sienna, brown and ochre colors Circa 1980 Signed under the base "CRoger" Mixed earth Dimensions H. 15 cm x W. 16 cm Very good condition Ref.I-259 Claire Roger speaks in these terms of her work "My work is a graphic adventure that is developed from colored earths in the mass and whose singularity is essentially based on the simultaneous treatment of color, graphics and volume. This graphics draws its source from the thickness of the material. It brings into play notions such as: stratification, crossing, superposition, juxtaposition, repetition, modulation... I like my work to be part of the duration, hour by hour, day after day..." Source: Contemporary ceramic center
