Description

Console in solid carved wood from the 40s and 50s representing a majestic eagle in carved and patinated wood. Very interesting piece in solid wood, very decorative, in excellent condition and very stable. Presence of the magnificent jasper marble, also in excellent condition. Note the existence of a discreet lighting system inside which creates a beautiful additional decorative effect. Rare piece on the market to integrate into a beautiful decoration. Possibility of delivery in France by professional and specialized carrier. Invoice and certificate provided.
