Description

Sublime art nouveau lamp with threaded Daum tulip and bronze sabot foot and marble with pine cones by Jules Cayette. A must of art nouveau with this lamp which symbolizes this period on its own. The tulip, gourd shape, with hot-drawn ends and especially exceptional raspberry and honey colors. The foot is with a sabot-shaped marble, the lamp in gilded bronze with pine cones. Piece attributed to Jules Cayette by many enthusiasts, not being signed, I only point it out... but really superb also... A very high quality art nouveau set, to place on a beautiful 1900 desk, it would be magnificent! 40 cm high, perfect condition, beautiful Daum 1900 signature intaglio on the tulip. An exceptional lamp, quite simply...
