1 000 EUR

Period : 19th century
Condition : Bon état
Material : Cast iron
Diameter : 36cm
Height : 51,5cm

Description

Pair of tall painted cast iron vases, Medicis shape, 19th century, circa 1880.
These are real antique vases from the 19th century, and not copies from the 20th century

Made for castle gardens, they can also be large decorative pieces on a piece of furniture, a fireplace, a staircase of a private mansion or castle.

Our vases kept an old lacquer with a beautiful worn patina. in good condition (small accident to the collars).

Height: 51.5cm Diameter: 36cm
