

Pair Of L.xiv Candlesticks In Chiseled Bronze 18th Century

420 EUR

Period : 18th century

Condition : Bon état

Material : Bronze

Width : 13,3

Height : 25

Description

Pretty pair of chiseled bronze candlesticks.
Complete with their bobeche. Formerly gilded.
We can see a hallmark on each candlestick, worn,
but probably the crowned C used on copper
objects between 1745 and 1749 in Paris. Good
general condition. Period 1st half of the 18th
century.
