Description
-------------

A superb set of 19th century French pendulum clocks, signed Vincenti & Cie, elegantly combining white statuary marble and ormolu bronze. This set consists of a central lyre-shaped pendulum, topped with a sunburst motif, accompanied by two matching candelabra. The pendulum, dated 1855, has a pristine enamel dial, perfectly preserved, without cracks or chips. The candelabras measure 46 cm high, while the pendulum reaches 36.5 cm high. Fully disassembled, cleaned and reassembled, the clock is in excellent condition and ready for display. Although the mechanism appears to be working, proper operation is not guaranteed. This magnificent set is an exceptional example of 19th century French craftsmanship, combining the finesse of the ormolu bronze details with the
