

Porcelain Mounted Walking Stick.

450 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Length : 88 cm

Description

Cobalt blue porcelain mounted walking stick, Sevres style. A ladies walking stick is a very exclusive item as previously only men could carry it, but now any woman can afford such cute accessories. The canopy of the cane is made of 800 sterling silver and electroplated with a continuous floral decoration, which bears the maker's and PG Artisan GG hallmarks
