### Description

Elegant fully articulated Jizai Okimono crab in bronze with a very beautiful original patina.

The rivets of the joints are almost invisible.

Realistic work of Japanese gunsmiths in the 19th century.

On this one, an eye and the tip of the left front leg as well as its claw are missing.

A beautiful object of curiosity, a realistic bronze sculpture, rare objects on the market.

Dimensions:

21 cm long by 10 cm wide and approximately 7 cm high.
