Description

For almost 150 years, he has been sighing from hearing the vociferations of his stepmother who looks him up and down with her hands on her hips and who never stops grumbling,... It is true that this mistress has to do everything and that he, daydreams, in traditional costume... He listens to the horn players and the distant yodeling, while puffing on his pipe. Hand in his pocket, he does not seem inclined to work.... Superb couple of traditional art from Breinz, monoxyl, painting and original chamois horns.
