

Old Engravings In The Napoleon III Style

480 EUR

Period : 20th century

Condition : Bon état

Material : Paper

Diameter : 41cm

Description

Pair of antique engravings from the second half of the 19th century framed in wooden frames. The frames are decorated in the style of Napoleon III (Second Empire). The engravings represent two antique busts - the bust of Hermes refers to a famous antique statue, the female bust perhaps represents the antique poetess Sopho. The engravings are decorated "under glass" and are in good condition.
