Description

Oil on panel dating from the 1950s. Depicting boats on a beach at the entrance to the Venice lagoon. By using pastel tones, the artist was able to transcribe all the tranquility of the scene. Very bright, with a well-controlled play of shadows! This painting is presented in a carved wooden frame, the painting is protected behind glass. A work of the Italian school from the mid-20th century, it is entitled "Barche in spiaggia", bears the artist's signature on the back that I have not been able to identify!
