

Set Of 10 Waxed Cardboard Geese Decoys, Usa, 1960s

780 EUR

Period : 20th century

Condition : Bon état

Material : Cardboard

Description

Set of 10 life size Canada Geese made of double sided waxed cardboard mounted on metal stakes. They can be placed both indoors and outdoors as they are water resistant. The neck is swivel, 7 of them have straight necks, the other 3 have elongated necks as if they were eating on the ground. The set is very realistic and decorative in a garden. The metal rod is removed for storage and the geese fold up. These decoys are of American origin and date from the 60s. They were produced by Johnson companies in Seattle. The set comes with the original canvas bag.
