

Pair Of 19th Century Louis XIV Style Firedogs, Cast Iron And Bronze.

240 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Width : 75 cm

Height : 41 cm

Description

Very beautiful pair of 19th century fireplace andirons, Louis XIV Regency style, in cast steel and bronze.

Beautiful openwork scrolled legs, providing excellent lower air intake for a beautiful fire!...

Vertical bronze shafts, very nicely spiraled in an alternating manner.

The width of the pair is approximately 75 cm, for a hearth larger than this dimension.

Excellent condition for the pair.

Height = 40.5 cm Unit width = 37 cm Depth = 54 cm Weight of the pair = a little over 13 kg
