Description

This fine quality vintage gold brooch has been produced in 18 carat yellow gold. E. Wolfe & Co is a London based family run fine jewellery manufacturer, established in 1850's. They specialize in gem set novelty insects, animals and fish etc. The brooch has been modelled in the form of a frog, in an illustrative style. This brooch has a textured finish representing the body of the frog's skin . The 18ct yellow gold frog is embellished with nine pavé set eight-cut diamonds displayed on the back. The head of the frog is further ornamented with a pair of cabochon set round cut Emeralds, representing the eyes. This superb frog brooch secures to the reverse with a hinged pin and clasp. This impressive frog brooch has been independently tested using state of the art technology (Niton
