monogrammed. The legendary Tiffany brand was founded in 1837 by Charles Lewis Tiffany and John B. Young in Connecticut as a "stationery and fancy goods emporium," with the help of Charles Tiffany's father who financed the store for only \$1,000 with profits from a cotton mill. Tiffany & Co. soon became a highly regarded brand for jewellery, gemstones, and silver. In 1845, Tiffany was a pioneer when it launched the Blue Book, which at the time was the first mail-order catalogue to be distributed in the US. In 1878, Tiffany won the gold medal for jewellery and a grand prize for silverware at the Paris World Fair Exposition. The luxury brand's enduring legacy remains vibrant to this day. Read Less
