Massimo vignelli has worked in many fields, from packaging to signage to furniture and retail design, through his company vignelli associates, co-founded with his wife. Vignelli's work is closely linked to the modernist tradition, focusing on simplicity through the use of simple geometric shapes in all his work. From his many works, he traveled the world, from the USA to the offices of Milan, passing by Venini, working for Poltrona, Ford, IBM, Knoll, the plans of the NY metro, etc... His most iconic pieces are exhibited in many museums around the world (his most
