

Large Japanese-style Dish From The Early 20th Century In Boiled Cardboard.

380 EUR

Period : 20th century

Condition : Très bon état

Material : Cardboard

Diameter : 45 cm

Height : 9 cm

Description

Large decorative dish with Japanese-style peach blossom decoration. This large boiled cardboard bowl is typical of quality old productions from the Kashmir region of India. The decoration is in light relief and painted in subtle colors on a background made up of tiny golden interlacing. Work from the beginning of the 20th century, around 1920, at the transition from Art Nouveau to Art Deco styles. NB/ Shipping possible for France via Colissimo tracked: 20 euros.
