Vittorio Emanuele II Of Savoy Embroidery And Painting Framed 19th Century

780 EUR

Period : 19th century

Condition : Etat d'usage

Material : Linen

Width : 60 avec cadre

Height : 64 avec cadre

Description

A fine canvas is embroidered with woolen threads, metallic threads and seed beads, the face and hands of the Sovereign are painted on paper and glued to the canvas.
Vittorio Emanuele II is shown here holding a sheet of paper in his hand, the reference is probably to the Albertine Statute.
Overall, the work is in good condition even if certain parts of the wool embroidery, notably the white ones, have been attacked by moths, the colors are obviously toxic for these insects.
