Description

Never seen in these dimensions, very large porcelain sculpture representing a Macaw parrot. This is most certainly a special order because despite my research, I have not found anything equivalent. The bird is represented in life size. The colors are very bright and cheerful. The parrot is perched on a rock, looking down. Below is the signature of the decorator Sandra Cadabra. Period last third of the 20th century. Delivery 30 euros in France, 80 euros in the EU and 150 euros rest of the world.
