

Set Of 5 Antique Crystal Flutes With Cut Sides From The Empire Period

200 EUR

Period : 19th century

Condition : Etat d'usage

Material : Crystal

Height : 19,5

Description

Square base and conical body cut with sides at the base. These 5 flutes differ from a set of 4, previously put on sale on Proantic, mainly due to this detail of the facets on the lower part of the cone.

In good general condition, no noteworthy defects other than some small unavoidable chips due to use.

One of the flutes has some dark punctiform inclusions, probably ash, in the base (see last 2 photos).
