Description

MINISTRY OF WAR - Political and administrative organization and legislation of Alsace-Lorraine documents updated up to July 31, 1914 for legislation and up to 1913-1915 for statistics. Paris, Imprimerie Nationale, 1915; in-8, 885 pp., full brown publisher's cloth binding, smooth spine. The title page indicates first part. Apparently the second part is mainly the translation into French of the German legislative texts mentioned in this first part. These legislative texts are very instructive because they deal with all aspects of life in Alsace-Lorraine, whether for work, taxes or hunting.
