Description

Remarkable set of wise men, Buddhas, and riders in finely carved, gilded and polychromed wood from China, from the first half of the 19th century. These seven statuettes, removable ornaments of a prayer altar are of beautiful quality and very present with a singular expressiveness. Collectible objects for a cabinet of curiosities, this very pleasant set comes from a castle in the Lot and from an eclectic collector surrounded by beautiful pieces of "Curiosity", representing the world and its beliefs of which Art is an outlet. These small figurines in good condition are rare grouped and in a coherent set contribute to creating an atmosphere of meditation and contemplation.... In good condition and with strong decorative value, this group of Chinese wise men questions us... In any
