Description

Rare and amusing German pyrogen Schäfer und Vater, in biscuit, caricature of a man; called "grotesque",
Circa 1900 - 1920

No chipping. Good condition. The scraper is missing at the bottom of the neck (you can see the old sticky attachment point). When you put the match in his mouth, the smoke came out of the holes in the skull, where the matches could also be stuck. Amusing collector's item.
