Width : 36 cm (cadre compris)

Height : 48 cm (cadre compris)

Description

Interesting watercolor representing a project for a library in art deco veneer wood, staged with books and trinkets of the time. Showing the client a personalized project was common in the workshops of the Faubourg Saint Antoine in Paris, and copying or approaching the models of the great designers was commonplace. Here we have the card of the house Ernest Moreau, 64 rue du Faubourg Saint Antoine. Contemporary setting.
