Description

Nice oil painting on cardboard depicting a painter at his easel on a path in a thick forest. The touch is lively and the light passing through the thick vegetation is very accurate. The work bears a barely legible signature at the bottom center, but an old label on the back attributes the painting to O. Pavlov born in 1921, this is the painter "Oleg Borisovitch Pavlov". The painting is in excellent condition and measures alone, 59 cm x 47 cm. It is presented in a gilded wooden frame also in very good condition measuring externally 72 cm x 60 cm.
