

Archaic Vase On Greek Motif Pedestal Imitating Porphyre, Cast And Polished Steel, Circa 1860

12 000 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Cast iron

Height : 188cm

Description

Important pyramidal pedestal in cast iron and polished steel edges, decorated with a classic frieze with Greek motifs.

The four painted faces show different varieties of red Dysberg porphyry and the cubic base is imitating to the gray Blyberg porphyry.

The archaic vase, probably from the same manufacture, has a decoration close to the Blyberg porphyry (Alvdalen deposit).

Our imposing pedestal could advantageously be used to support a large, more exceptional vase in Porphyry or another precious material.

In a Marble Hall, a Conservatory....

Total height of pedestal and vase 188cm

Height of pedestal alone 140cm

Weight 210kg + vase 60kg
