Description

- Oil on canvas. This impressive portrait immediately recalls the paintings made by Ingres during the first quarter of the 19th century. The quality of the textures, the delicate approach to the young man's face, the care and detail with which the details of the costume or the collar of the friendly dog that accompanies its master from the lower right corner are reproduced, tell this painting. to the environment of the genius of Montauban. A very similar painting by the artist Jenny Legrand, very similar in composition and technique, was auctioned at Sotheby's in the late 1980s. - Dimensions of the unframed image: 75 x 93 cm / 97 x 115 cm with a magnificent original custom framing. - From a private collection in Paris. - Good general condition.
