

Small Restoration Period Console In Walnut

1 450 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 54.5

Height : 74

Depth : 34.5

Description

Small console from the Restoration period in walnut. This model with crosses is entirely original, the top is in St Anne marble. The molding under the top is worked with the standing wood technique: that is to say in the opposite direction of the grain. This technique is very pretty but difficult to achieve. The drawer and the bottoms of the crosses are decorated with bronzes. This small size template is unusual.
