Description

Very rare oval cork box, decorated with cut-out foliage and small sculpted balls. The belt is also well worked. (a few small, unimportant lacks). The interior is incredibly charming!! A superb composition representing a maritime landscape, with a villa in the center. Through a window you can see a couple of lovers "kissing". Interior decoration, original blue fabric. It rests on ball feet. A nice and rare curiosity. Dimensions: width, 23 cm, depth, 6.5 cm, height, 5 cm.
