Description

We present this charming little painting by the famous painter Alphonse QUIZET (1885 - 1955), superbly framed, we think of a Bouche frame (it is not a Montmartre in our opinion). This oil painting on canvas represents a beautiful bourgeois house in a humanized landscape. This artist worked and came from these Montmartre painters in the great era. Our painting is painted on isorel and must date from the 1950s/1960s. Very good condition. (E24) Ref. ..... UB 233
