Prudence, diligence and the spirit of effort are
decisively imprinted in this portrait of a notary,
probably painted in Paris in the mid-18th century.

The character, depicted working without any
modesty, in opposition to the idle attitudes of the
nobility, is part of a rising bourgeoisie whose
rapid development will crystallize in the outbreak
of the French Revolution. - Dimensions of the
unframed image: 57 x 72 cm / 64 x 79 cm with a
beautiful personalized frame. - It comes from a
