

Hunting Knife

1 300 EUR

Period : 19th century

Condition : Parfait état

Material : Metal

Length : 24 cm

Description

Elegant small hunting knife.

Handle in deer antler. Silver cap and ferrule engraved with hollow bottoms of foliage decorations.

Guard in polished steel. Three-sided blade polished ice. Sharp point in carp tongue.

Black leather scabbard with two silver fittings engraved with hollow bottoms. The chape is engraved on the front with a deer's head, whose antlers surround a cross, on the back it is decorated with floral motifs. The chape is engraved on the front with two seated dogs holding a coat of arms and on the back with the same floral motifs as the chape.

This object is in perfect condition.
