Description

Drawer Archive Cabinet for Documents and Maps, 19th Century, Walnut Veneered Wood with Scagliola Top

This 19th-century archive cabinet is made of walnut veneered wood, with a red-colored scagliola top. It features ten spacious and shallow drawers, ideal for storing geographical maps, plans, technical drawings, or large documents. The front is equipped with two hinged doors that conceal the drawers, offering a functional yet refined design.

The walnut veneer adds elegance, while the scagliola top, a prized material often used to mimic natural stone, provides a distinctive and
