

Threaded Leaf Spring Chest Of Drawers

5 000 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Description

Beautiful rosewood crossbow chest of drawers threaded on the top, sides, sides and pillars in fruit wood. The shield-shaped inlaid nozzles in fruit wood are extremely refined.

The name of the piece of furniture is due to its shape.

The crossbow chest of drawers is particular because it is considered the "prince" piece of Tuscan furniture.

The chest of drawers has been completely restored and polished.
