

## The Ball And The Orchestra

850 EUR

Signature : À définir

Period : 20th century

Condition : Très bon état

Material : Oil painting on cardboard

Height : 60x50 cm

### Description

Very beautiful painting representing an orchestra and dancers, magnificent oil painted in oil on a thick cardboard support. Format approximately 60x50 cm in frame! In its own juice and old patina. Very interesting subject with a good pictorial technique! Probably from a good painter's hand given the quality, very beautiful generous and varied colors with nervous and well-controlled touches!
