

Adze, Tool

450 EUR

Period : 20th century

Condition : Très bon état

Material : Wrought iron

Length : 28 cm

Width : 11 cm.

Height : 17 cm

Description

This adze is essentially composed of two parts, a large wooden handle with an opening to pass the fingers through, and a thick iron blade which is held under the handle by a large iron ring which holds the 2 pieces together, completed by a removable wooden wedge to ensure the solidity of the assembly. Magnificent tool
