Description

Autograph letter signed by André Breton to Agnès Capri. Half a page in-4, envelope preserved. Dear Agnès Capri, Nothing can better open this somewhat gray day than the announcement by you of this first performance of "Léonce et Léna". Just a few months ago I deplored that this marvel - among all - had not yet tempted young actors. Here they are and I praise them in advance as a personal benefit that I will owe them. I am very touched, dear Agnès Capri, that you took the trouble to write me exquisitely on this subject. Believe me always your admirer and friend. André Breton. Provenance: library of Jean-Claude Carrière
