Description

a fine Spanish table in walnut from the 17th century from the Renaissance period

Table that can be used as a desk, dining room table or large console which has the great advantage of not having friezes, which allows for plenty of legroom

It has a very beautiful walnut top with a nice thickness of 4.5 cm which is unusual and a very beautiful patina

It rests on a walnut base with carved lyre feet with wrought iron spacers typical of Spanish tables.

Very beautiful rare dimension with a beautiful
