MONTBARON GALLERY - Oil on canvas.
Magnificent painting inspired by the beach scenes
of Joaquín Sorolla. The fantastic effects of light,
which break down the refraction of the sun
through the water on the boy's skin and hair,
compose a childish face that does not hide a
certain petulance when we know that it is
represented. The painting successfully evokes the
sensations that we involuntarily associate with
childhood, the summer season and the
Mediterranean Sea. - Dimensions of the image
without frame: 38 x 46 cm / 50 x 61 cm with
beautiful gilded wooden frame. - From a private
collection in Valencia. - Good general condition.
Minimal defects. - Galerie Montbaron attaches a
