Description

Black blown glass floor lamp with a white lining, enlivened by numerous inclusions that diffuse the light with depth and nuance. The base and neck are accented with solid brass rings. Preserved with its original lampshade (in impeccable condition). Reminiscent of the work of Archimede Seguso in Murano, Italy, circa 1960. Electrification checked, solid brass double-pole switch*, replaced by us. The two internal bulbs are easily accessible via the screw system located under the base. H 89 cm x Lampshade diameter 44 cm. *Two-position switch: Up or down / Up and down. Due to its size and nature, the lamp will only be shipped by carrier (Outside Belgium = box on a small pallet).
