Description

Very original pair of high pumps in tricolor canvas from Maison Louboutin. In tricolor canvas with white and red stripes on the instep decorated with 3 small buttons reminiscent of the buttons of 1930s boots, and black and white checks for the rest of the shoe, this elegant pair of shoes stands out with its low-cut cut and its 1930s side. On an invisible platform of approximately 2 cms, the 12 cms heel shapes the leg well. A small elastic inside on the heel side allows the shoe to stay in place on the foot; These shoes have been worn but have been well preserved and do not have any tears. In good condition of conservation and use, see the details on the photos, these pumps are signed "Christian Louboutin Paris" on the inside of the insole as well as on the iconic red outer sole signed "Christian Louboutin Made in Italy".
