Depth : 0,1

### Description

Etching depicting the Church of Santa Libera in Verona by Ettore Fagioli, engraver, architect and stage designer, who was born in 1884 and died in Verona in 1961.

The etching measures 32.5x49.5 cm, while the total sheet size is 50x67 cm. It is signed in the bottom right-hand corner in graphite, while the date 'March 1923', the inscription 'Chiesa di Santa Libera in Verona' and the signature 'E. Fagioli' are inscribed at the bottom of the engraving.

It is in a good state of preservation and has undergone conservative restoration work to improve its legibility and ensure proper conservation over time. The complete condition report of the work is available.
