Material : Other

Width : 39,5

Height : 59,5

Description

Etching depicting Piazza delle Erbe in Verona by Ettore Fagiuoli, engraver, architect and stage designer, who was born in 1884 and died in Verona in 1961. The etching measures 39.5x59.5 cm, while the total sheet size is 56.2x77.5 cm. It is signed at the bottom right inside the engraving and below in graphite.
In the bottom left-hand corner it bears the number 13 and the inscription 1928 Verona. It is in a good state of conservation and has undergone conservative restoration to improve legibility and ensure proper preservation over time. The complete condition report of the work is available. The work is sold with a cardboard passepartout.
