

Carved Wooden Putto, Angel, Puy En Velay Region, Early 18th Century

580 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Width : 14cm

Height : 24cm

Description

Putto in carved natural wood from the Puy en Velay region, early 18th century. Very beautiful subject magnificently treated by the artist. This putto with thick curls and a face with soft features is reminiscent of the angels with regular faces and often tinged with melancholy by Gervais Delabarre in the middle of the 17th century. Our sculpture is in good used condition, small losses and wear are naturally present on the whole object.
