

China, Luohan Figure

850 EUR

Period : 19th century

Condition : Très bon état

Material : Sandstone

Description

Luohan/Arhat Figure

China, 19th century

Glazed stoneware

H.26 cm

The monk with emaciated features is seated on a rock. Luohan (arhat in Sanskrit) is the name given to the disciples of the Buddha who gathered around him after his first sermon and followed him as disciples. They are considered by Buddhist believers as models in their own struggle for enlightenment.
