

Pair Of Facade Panels Of An Old Bakery, Pastry Shop, Store, Business, Trade,

4 000 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Description

Two old panels matching each other. Old bakery. Old pastry shop. Painted on canvas mounted under glass. These panels were used as decoration on the front of shops. Very Parisian from the end of the 19th and beginning of the 20th century, they are very rare. Most of them have been victims of time, either broken or demolished. The few still on site are now classified as cultural heritage (see a Janice Niepce photo of an old shop). These are in very good condition. Wooden frame. A fixing bracket at the top allows them to be held against a wall. Dimensions: height 184.5 cm. Width 38.5 cm. Visit our website: setruk.com
