Description

Spectacular large bowl, cache pot in multilayer glass released with acid with rich radiant decoration of dill flowers and foliage in brown-green colors on a yellow-white-pink gradient background. This cache pot is in superb condition, it has just a chip on a green stem, visible in a photo as well as a small open bubble inside the cache pot. Presence of the Gallé signature incised in its lower part preceded by a star. Period around 1905. Rare basin due to its size, slightly asymmetrical. Dimensions: height: 25 cm / 26 cm - Diameter: 40.5 cm
