

## Particular Large Photo Frame With Two Lights - Napoleon III

530 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Width : cm. 92

Height : cm. 70

### Description

Particular large photo frame with two lights.

An eagle with spread wings is sculpted as the cymatium, along with drapery motifs as if to simulate an open curtain, and the rest of the frame is richly gouged and decorated with vegetal motifs.

The state of conservation is good, only a small piece of wood is missing on the right (highlighted in the photo).

Measurements: cm. 92 x 70 - light ovals cm. 37.5 x 27.5 / 37 x 28

Period: Napoleon III
