

Extremely Rare Wmf Ikora 1925 Charger. 1st Collection.

1 550 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Description

WMF. Ikora. 1st Collection 1925.

Metal charger with stunning art deco decor.
(probably by Karl Holzinger)

Stamped.

Excellent condition. Never seen before anywhere.
These pieces, from the 1925 first Ikora collection
are extremely hard to find.

This specific piece, contrary to many others from
the same collection, has not been re edited in the
later collections.

Coming with a glass cover (original to the piece
) that can be used to protect the fragile decor
when using the charger.

Probably the reason why it is in such exceptional
condition.
