Robbe & Berking Silver Neue Form Teapot

2 230 EUR

Signature : Robbe & Berking

Period : 20th century

Condition : Parfait état

Material : Sterling silver

Description

The Neue Form teapot by Robbe & Berking has a capacity of 1.0 litres and serves hot drinks in style. The excellent heat-conducting properties of silver ensure that its contents stay warm for longer - used in combination with the matching tea warmer, even for a very long time. The specially designed spout makes dripping a distant memory.
